

Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Part - Ingersoll Rand offers services, products and solutions to increase the productivity and ensure efficiency within industrial, commercial and residential surroundings. They pride themselves in providing products so as to improve the comfort, security, health and safety of individuals all around the world throughout their four worldwide segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman makes food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building services, parts support and advanced controls for both commercial buildings and residential homes.

Ingersoll Rand's Industrial Technologies sector offers solutions and products which enhance their customers' productivity, operations and energy efficiency. The product series is diverse ranging from pumps and tools, material and fluid handling systems to complete compressed air systems. They have also developed Club Car, the international leader in golf and utility vehicles designed for individuals and businesses.

Trade names like Trane and Schlage deliver residential solutions that provide comfort, safety and efficiency to home owners across North America. Their innovative products consist of mechanical and electronic locks, indoor air quality solutions, air conditioning and heating systems, advanced controls, remote home management and portable security systems.

Ingersoll Rand' Security technologies provide products that ensure safe, productive and secure surroundings. This division's market leading products include floor and door closers, portable security devices, exit devices, electronic and biometric cabinet hardware, access control systems, steel frames and locks and doors, locksets and decorative hardware. Popular trade names like for example Schlage also offer time, attendance and personal scheduling systems.
