

Advance-Nilfisk Parts

Advance-Nilfisk Part - Think about how long and tiresome it will be to clean-up right after a party, with no help from equipment. Not too long ago, the dirt from carpets and upholstery had to be beat out of them manually; brushes, cleaning cloths and brooms were the top cleaning products back then.

P.A. Fisker, the founder of Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Establishing the business in the year 1906, he started to produce motors so as to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's vision from the beginning was to have an international company advertising products internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented a incredible, ground breaking vacuum cleaner that could be operated by one individual because it just weighed 17.5 kilos! This invention came in a time where various cleaning machines were very big and needed at least 4 operators, therefore, the Nilfisk C1 transformed everything and evolved the manner we clean forever. The genius behind these first cleaning machines remains unparalleled. Cleaning machines offer an excellent solution to an ongoing problem; stuff get filthy and have to be cleaned frequently, without a lot of effort.

Slowly but steadily, Nilfisk-Advance developed all through the decades. In the nineteen eighties, this development actually took place when the company became a part of the NKT Group. Their new owners' drive and concentration made Nilfisk-Advance take a huge leap ahead within the trade, aiming to be among the leading global players in the market of professional cleaning machines. Nilfisk-Advance is now found in all parts of the globe by steadily acquiring numerous smaller companies to be able to develop their product range and presence in new markets. They are really proud to offer a variety of cleaning solutions to meet each and every need.
