

Rockwell Part

Rockwell Part - AxleTech International is a premier dealer in the globe of specialty vehicle drive-train systems and components together with off highway vehicles. The company prides itself on being its clients' chosen supplier. AxleTech strives to exceed and meet their customers' expectations for service, technology, delivery and quality. They believe in working within an environment which encourages the highest integrity with empowered collaboration, together with a unrelenting pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively utilizing principals of ecological stewardship and safety in how they do business. The company has put various programs in place so as to articulate these values in their business policy. AxleTech happily shares this policy and welcomes interested parties to provide them with whichever comments or questions, as they are glad to promote and share this policy with a greater knowledge of their efforts. They are very devoted to preserving and improving the environment. AxleTech has an EHS program which not just protects the natural environment but which even actively protects their workers and neighbors too.

AxleTech prides themselves as being an innovative drive-train solutions provider. They specialize in manufacturing and designing planetary axles meant for both commercial and military applications. These applications range from airport ground support to construction equipment. AxleTech particularly designs axles to be able to meet specific application demands. They have over one thousand various axle specs within their existing offering. With over one hundred years of knowledge and history, AxleTech proudly supplies the most complete solution for whatever of your axle needs. The company is well known in many commercial and military applications. They provide complete axle assemblies utilized for aftermarket replacement requirements, along with servicing axle needs for OE production. Their high mobility ISAS have extra details that could be found in the "ISAS" product selection.
