

American Lincoln Part

American Lincoln Parts - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines that are recognized within the business as durable and strong machines that suits all the needs of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind version of floor scrubber with the Clarke Company who is currently also owned by Nilfisk Advance. Their production operations are based in Springdale Arkansas. These kinds of scrubbers are obtainable in the market under the brand name "Encore". American Lincoln has the ability to provide warranty service, equipment and components for these types of scrubbers that have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility supervisors where efficiency and results count. Recently, this particular floor scrubber model has been utilized by the architects in various construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on location because of the model's high standard of quality and utmost performance level for polishing concrete.
