

Trek Parts

Trek Part - TREK Cleaning Machines is a maker of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over 60 years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to providing top quality and new design concepts in order to meet the diverse requirements of their customers.

TREK Cleaning Machines always offers fresh design concepts as shown in their product development. They enjoy providing products that energize both their dealers and their partners and offer production gains to their clients.

The TREK team of staff enjoys new tasks and new challenges. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' needs and skills combined with their knowledge of cleaning applications, together with owners' strong desire to considerably reduce expense through productivity gains.

The employees at TREK and their dealer-partners are strongly dedicated to having both technical support and parts available when it is required. Their high service dedication is among the core values in their customer service. Keeping their customers' cleaning equipment working and ready everyday is top priority. The company's top of the line technology delivers reliable equipment which ultimately lessens your cost of cleaning. The service, the product and the price all work as one in order to make them the leader in the business.
